

Share Information on Reopening Campus Fall 2021

The AICUP Research Center is hosting three Zoom virtual meetings in August on the topic of Reopening Campus in Fall 2021. These Zoom events will NOT have a formal presentation or any type of slides. Instead, participants should come prepared to share experiences, offer advice, and ask questions of others in the meeting. All meetings will be from 10:00 am – 11:15 am.

To facilitate discussion, meeting participation will be limited for each session. The dates are as follow:

- **August 13, 2021**
- **August 18, 2021**
- **August 19, 2021**

If you would like to register for one of these meetings, links are available under the “Upcoming Events” section of the AICUP Quarterly Research News.
