

NET COST TO STUDENTS

AICUP institutions help low-income students access higher education through generous financial aid.

- ✓ Net tuition for needy students about \$13K – virtually unchanged from 10 years ago.

Published Tuition and Fees and Net Tuition and Fees After Financial Aid
10-Year Trend of AICUP Colleges and Universities

Source: Tuition and fees data for undergraduate students is from the National Center for Education Statistics, Integrated Postsecondary Education Data System (IPEDS) Institutional Characteristics Survey and Financial Aid Survey, 2020-2021. Net tuition is calculated as published tuition and fees minus grant aid. All tuition and fees and net tuition data are averages across AICUP institutions. Published and net tuition/fees are actual dollars and not inflation-adjusted.
